Cutting

Note: Trace Templates A and B onto Template plastic.
From Valencia-CM2035 Wine and Valencia-CM2037 Sage:
• Cut two 2" x width-of-fabric (WOF) strips.
From Valencia-CM2034 Cream:
• Cut seven $3^1/_2$" x WOF strips; sub-cut into sixty-eight $3^1/_2$" squares.
From Holiday-CM7733 Gold:
• Cut five $3^1/_2$" x WOF strips. Fold strips end to end with wrong sides together. Using template B, cut sixty-eight B right and sixty-eight B left triangles. Left and right sections will be cut out at same time. Nest triangles for better fabric usage.
From Valencia-CM2037 Sky:
• Cut six $3^1/_2$" x WOF strips. Sub-cut into seventy-two $3^1/_2$" squares.
• Cut seven $1^1/_2$" x WOF strips.
From Valencia-CM2033 Wine:
• Cut four $3^5/_8$" x WOF strips. Sub-cut into thirty-six $3^5/_8$" squares.
From Fleur-C4794 Ivory:
• Cut six $5^1/_2$" x WOF strips. Sub-cut into thirty-six $5^1/_2$" squares, then cut once diagonally into seventy-two half-square triangles (HST).
• Cut four $3^5/_8$" x WOF strips. Sub-cut into thirty-six $3^5/_8$" squares.
• Cut five $3^1/_2$" x WOF strips. Cut sixty-eight triangles using template A. Nest triangles for better fabric usage.
From Valencia-CM2036 Wine:
• Cut seven $1^1/_2$" x WOF strips.
• Cut eight $2^1/_4$" x WOF strips for binding.
From Valencia-CM2038 Wine:
• Cut two $7^1/_8$" x 70" length-of-fabric (LOF) strips of the large stripe (see quilt photo for reference).
• Cut two $7^1/_8$" x 90" LOF strips of the large stripe (see quilt photo for reference).

Block Construction

Block A
1. Sew one CM7733 Gold B right triangle and one CM7733 Gold B left triangle to the respective sides of a C4794 Ivory A

triangle to make an A/B patch. Press seams toward the Gold triangles. Make sixty-eight. (figure 1)

Quilt Top Assembly

10. Following the Quilt Assembly Diagram, lay out Blocks A and B, alternating position and rotating block B as shown. Sew the blocks together in each row, pressing seams toward the B blocks. Sew the rows together and press seams in one direction.

Border

11. Sew the seven 1½" CM2036 Wine strips together end to end using diagonal seams. Cut two 54" and two 71" lengths. Pin-mark the strip centers.

12. Sew the seven 1½" CM2037 Sky strips together end to end using diagonal seams. Cut two 56" and two 74" lengths. Pin-mark the strip centers.

13. Matching the centers, pin and sew the short 1½" CM2036 Wine, 1½" CM2037 Sky and 7⅛" CM2038 Wine strips together along the long edges to make the top and bottom borders. *Note: The ends do not align.*

14. Repeat step 13 with the longer 1½" CM2036 Wine, 1½" CM2037 Sky and 7⅛" CM2038 Wine strips to make the side borders.

15. Measure the quilt top from top to bottom through the center and divide this measurement in half. Measuring from center out, pin-mark mark this length on each side border. Repeat for the top and bottom borders. Do not trim excess border length.

16. Pin the top border to the quilt, matching centers and the ends of quilt top to the border markings. Stitch the border to the quilt top, starting and stopping the seam exactly 1/4" from each end of the quilt. Backstitch to secure stitches.
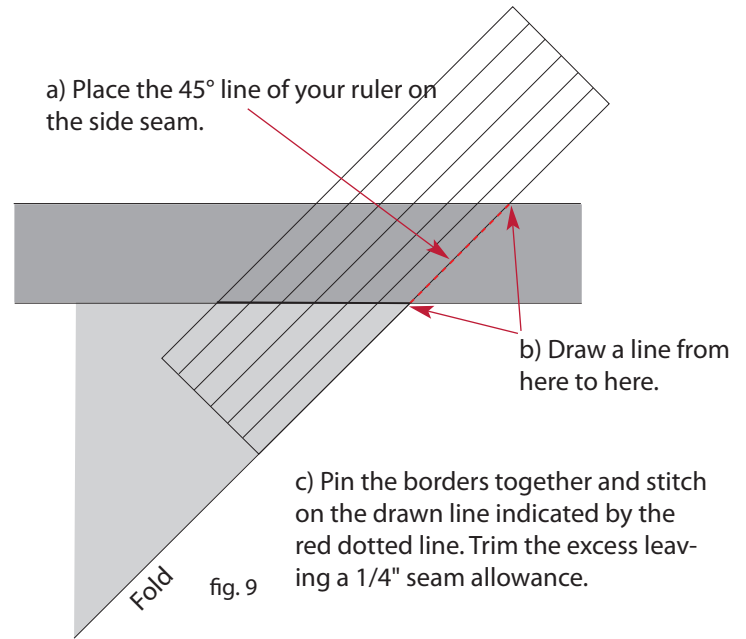

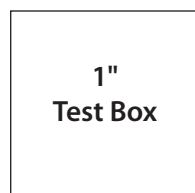

17. Repeat step 16 with the remaining three borders, first the bottom then the two sides. Press seams toward the borders.

18. To miter the borders, fold one corner of the quilt on a 45° angle so that the border strips are directly on top of one another and the seams nest together. Place your rotary ruler on the fold of the quilt so that the long edge is against the fold and the 45° line is on the side seam. Draw a line from the corner of the quilt top to the outside edge of the border. Pin the borders together.

Position your needle on the inside corner where the border meets the quilt. Stitch directly on the line you have drawn to the outside edge of the border.

Trim the excess fabric leaving a 1/4" seam allowance. Press. Repeat the process for the remaining three corners of the quilt. (figure 9)

Note: To print templates accurately, turn off Page Scaling ("Fit to Page") in your print dialog box. The Test Box, below, should measure 1" square.
