Quilt Top Assembly

9. Following the Quilt Assembly Diagram, lay out the blocks in seven rows of five blocks each, rotating the blocks as needed. Sew the blocks together in each row, pressing seams in alternate directions for adjacent rows.
10. Sew the rows together in order. Press seams in one direction.
11. Sew the eight $1\frac{1}{2}$ " x WOF C5773 Tan inner border strips end to end using diagonal seams. Press seams open.
12. Measure the center length of the quilt top and cut two strips that length. Sew one strip to each side.
13. Measure the center width of the quilt top and cut two strips that length from the pieced C5773 Tan strip. Sew one strip to the top and the other to the bottom.
14. Repeat steps 11-13 using the nine $6\frac{1}{2}$ " x WOF C4069 Mystic outer border strips.

Finishing

15. Layer the quilt top, batting and backing, and quilt as desired.
16. Stitch the binding strips together end to end using diagonal seams. Fold and press the resulting long strip in half lengthwise with wrong sides together. Stitch to the quilt front, matching raw edges and mitering the corners.
17. Fold the binding to the quilt underside and hand stitch the folded edge to the quilt back.
